# Idsall Gymnastics.

## Parents Code of Conduct.

Idsall Gymnastics Club asks parents to provide the necessary support needed and to encourage your child to learn the rules and participate within them.

### Please help the coaches by ensuring that:

- Your child is fit to partake in gymnastics activity and inform the coach of any issues which may effect your child's training or the health of others. (Sickness and stomach upset ensure **a clear 48 hours of illness**).
- Children carry their own rescue medication to every session.
- Younger gymnasts are brought to and collected from their classes by a responsible adult.
- Your children act in a safe and responsible manner before the start and end of the coaching session. As such, gymnasts and non participating siblings must not create a danger to other users of the facility.
- Children arrive and are collected on time. If you are going to be late arriving or collecting your child, please contact Dave or Katie.
- Training fees & annual BG insurance are paid on time or your child's place may be lost. Please contact Dave or Katie at the earliest opportunity if you need to discuss anything to do with fees.
- Your child is dressed appropriately, without jewellery, for the activity (see dress code).
- All changes in contact and medical details are brought to the attention of the Club.
- You support your child's involvement and help them to enjoy their sport. Encourage children to participate and never force your child to take part in gymnastics.  
*Gymnastics is a difficult sport please acknowledge the right of your child to develop to their potential in an environment that emphasises personal growth, participation and enjoyment. Always allow the coaches to use their experience and knowledge in directing the coaching of this extremely complex sport from the training floor and coaching by spectators/parents is not allowed.*
- You use appropriate verbal & body language at all times. Swearing, offensive language and aggressive or offensive behaviour will not be tolerated.
- When accompanying younger gymnasts (**under 8 years**) into changing areas, use the appropriate adult changing room.
- Show respect and awareness for all cultural and religious differences.
- If you have concerns, complaints or feedback share and discuss them through Katie or Dave or our Welfare Officers. Do not raise issues of disagreement publicly on any platform.
- If you are able, become involved in the Club as a volunteer - there are many varied opportunities – please ask.
